# How Can I Make Her Mine Again

The question in mind of most men coming from a fresh break up is "how do they get back with their ex girlfriend" with a slight desperation, obviously acting desperate is not quite the answer. If you're following the right tips, you could be looking for the right results eventually. Using the best method will guide you to the right way.

Remembering the essential factor when trying to get your girl back is that there are also basic motives for girls on why they want to get back with their ex boyfriend. These motives are kept being secret for individuals. A simple guide will definitely help you out when to do it. An effective formula is tested. When it will be used it's not that unethical so it's very convenient to you.

Creating some space is a better idea. Definitely your feelings to one another is different now compared to way back when you are still first dating, currently you are not the man that your ex-girlfriend fell in love with. If you come to think of it, if you still were, you would still be together right? She will not likely long for you until you get closer to the man you were when she was still madly and deeply in love with you, and during that time there were still no trouble between your relationship.

Try to chill and enjoy your own life and make some time for yourself. Learn to enjoy life first by yourself if you're planning to share it with another person someday.

Now always have in mind. That staying low means no contact. Simply no means of any communication such as text, calls, facebook etc. Also no gifts or anything else. The fact is your not ok right now and neither she is, so this will kind of show her that your desperate to get her back, which nobody likes desperation. Never approach her like that. It's simply says that you're doing miserably without her, so what does she say about that. Looking at her to make you a new complete individual again means you don't value yourself without her. You have to keep in your mind first is to value yourself more than anyone else. Even without her, you are something that you should be proud of.

If she sees that changes on your part, you will have her respect again. Giving some space away from you, that is what she's doing right now. Observing the effect it has on you. Reversing this back to her is necessary.

Backfire will mostly come if you try to be friends again with her, knowing that you'll still be around her social circle. This will only cause chaotic outcome sooner or later. If your feelings are still more than friendship towards her, can you handle jealousy on your part?

This could not be a complete guide on how to get your ex-girlfriend back but somehow if you follow these guides, you will be on the right track of your life and possibly you can still bring back your ex girl in your arms again. .
